Dear AFGE Member:

The annual Combined Federal Campaigns (CFCs) in the communities where our members live and work help fund human services for working families, the disabled, the elderly, children/youth and the hungry and homeless. Each year they fund programs used by the families of federal employees.

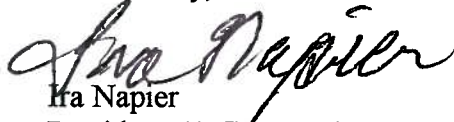

Since its inception, federal union members have been generous supporters of the Combined Federal Campaign because we understand the human services needs of our neighbors and co-workers. At times, our union members have also needed to use these valuable services.

Whether you choose to designate to the United Way or a charity of your choice, your support will be greatly appreciated.

Because of the importance of the human services funded by CFC, I am encouraging members of AFGE to support the 2008 Combined Federal Campaign.

Thank you for helping to make our communities a better place to live and work.

In solidarity,

Ira Napier
President AFGE Local 547
