RE: Combined Federal Campaign (CFC)

The annual Combined Federal Campaigns (CFCs) in the communities where our members live and work help fund human services for working families, the disabled, the elderly, children/youth and the hungry and homeless. Each year they fund programs used by the families of federal employees.

Since its inception, federal union members have been generous supporters of the Combined Federal Campaign because we understand the human services needs of our neighbors and co-workers. At times, our union members have also needed to use these valuable services.

The Citrus Center Area Local, APWU encourages all members to become more involved with the CFC, including our local United Way of Central Florida, through generous contributions.

We are asking that each member please show solidarity in this worthwhile effort. We are always stronger when we all come together for a cause. This time, the cause is helping our neighbors, our friends and our community.

If you have never given to the CFC in the past, we are asking that you consider the needs of those less fortunate than ourselves. If you have participated in the past, we thank you and ask that you continue to support the CFC this year as well.

With your help, and the help of the CFC, we can strive to make our communities a better place to live and work.

In solidarity,
